Anki Flashcards

TEAM ANKI

Dillon Gee | Jazmynn Daos | Kyla Lamontagne | Vamsi Koduru | Wilbur Chen

WHAT? FOR WHO? WHY?

* Anki flashcard sharing website for UCI School of Medicine

* Builds a community for the medical students and provides study resources for incoming students

WEEK 3-4 UPDATES

* Decided to build a supplement website instead of developing a mobile application
* Broke up tasks into phases
* Created a system model and basic WBS

DIFFICULTIES

* Couldn't get access to Anki web and mobile application code → changed project direction

* Lack of skill… but we're learning and we'll get there!

WEEK 5-6 PLANS

* Create basic mockups for clients
* Get server space and domain name
* Begin basic website build and setup server
* Setup database and begin organizing information
  * How users will search for and view specific decks
